hlufabebe2015@gmail.com
Addis Ababa, Ethiopia

Enthusiastic Electrical and Computer Engineering graduate from University of Gondar (CGAP 3.05), with clear understanding of object oriented programing, web development and embedded systems. Motivated to learn, grow and excel in Electrical, Computer Engineering and other related fields.

Soft Skills

- Communication
- Problem solving
- Teamwork
- Openness to criticism
- Critical thinking

Technical Skills

- HTML
- CSS
- JavaScript
- Node.Js
- ReactJs
- MYSQL
- Git
- Typescript

Education

Graduated 09/2022	**BSc Degree** in Electrical and Computer Engineering, **University of Gondar**
	• Thesis "intrusion detection system using random forest algorithm"
	• CGPA 3.05
Graduated 09/2022	**Certificate** JavaScript the Advanced Concepts, **Udemy**

Projects

09/2022	**Intrusion Detection system using machine learning**
	• Algorithm used: Random forest
	• Programing language used: python
04/2022	**library Management system [Internship at STVC]**
	• It is single page application(SPA)
	• Technologies used :Reactjs,NodeJs,MSQL,Material UI,CSS
06/2021	**law firm website**
	• It is single page application(SPA)
	• Technologies used :Reactjs,NodeJs,MSQL,CSS
	• Link https://www.abbaylaw.com

Language

- Amharic native
- English Advanced

Hobbies

- Reading books
- Learning a new programing language
- Listing to tech podcasts
